LAB 00

Course Activity Overview

Two-day pathway · Microsoft 365 · K1-K4 · A1-A4

Sixteen progressive activities use one connected business evidence chain.

Files in this folder

- Start with See each lab folder and retain all outputs inside this lab folder.
- The completed/ subfolder is for comparison after your own attempt.

Primary prompt

Use the activity index to locate each self-contained folder.

Detailed procedure

1. Complete labs in sequence.

Each later lab reuses evidence and controls from earlier work.

2. Use the Learner Guide for detailed procedures.

Do not rely on slide content for click-by-click steps.

3. Retain evidence and human approvals.

Never include credentials in screenshots.

Acceptance test

All sixteen folders contain instructions, an Excel workbook and acceptance criteria.

Evidence to retain

- Completed Excel workbook with prompt and evidence registers.
- App-specific output named in the expected result.
- A screenshot showing the final state without credentials.
- A short note explaining verification, exception and human approval.
